

GENUINE CANON
1000405828
2 WT
9818A0021A1
Printed in Japan
Do not attempt to remove the protective tape from the top of the box. The tape is used to seal the box and prevent tampering. If the tape is removed, the contents may be damaged. Do not touch the ink on the ink cartridge. The ink is highly sensitive to light and heat. If the ink is exposed to light or heat, it may dry out and become unusable. Do not use the ink cartridge if the ink is dry or if the ink is of a different color than the one indicated on the label. Do not use the ink cartridge if the ink is expired. Do not use the ink cartridge if the ink is not from Canon. Do not use the ink cartridge if the ink is not for the specific model of the printer. Do not use the ink cartridge if the ink is not for the specific region. Do not use the ink cartridge if the ink is not for the specific language. Do not use the ink cartridge if the ink is not for the specific country. Do not use the ink cartridge if the ink is not for the specific continent. Do not use the ink cartridge if the ink is not for the specific world. Do not use the ink cartridge if the ink is not for the specific universe. Do not use the ink cartridge if the ink is not for the specific everything.
