Toner Cartridge Model No. KX-FA83 / KX-FA83A / KX-FA83E / KX-FA83X Installation Guide

- We recommend you replace the drum unit every fourth time you replace the toner cartridge. Be sure to use the corresponding toner cartridge.
- To prevent loss of fax memory, when replacing the toner cartridge and drum, do not unplug the machine.
- While the unit displays "PLEASE WAIT", do not open the front cover and remove the toner cartridge.
